

TASC TGIC

welcome!

TASC TGIC

The Tidewater Association of Service Contractors (TASC)

- **Focal point for industry collaboration toward greater awareness of Government business opportunities while sharing industry's experience and perspective with Government partners to more clearly define, understand, and improve the acquisition process to optimize support to the warfighter and Federal agencies, as well as stewardship to the taxpayer. TASC is focused on providing value to both membership bases: Industry and Government**
- **Industry Member: Value through access to government decision makers and forecasted opportunities by facilitating various industry day, education and networking events.**
- **Government Member: Value through access to industry feedback, a conduit for market research participation, education, and networking events.**

TASC TGIC

The Tidewater Government/Industry Council (TGIC)

- **Provide for effective avenues of communications, cooperation and consultation between Government Contracting Activities, their Customer Activities and to private industry in the Hampton Roads, Virginia area in order to improve the productivity of contracting and the quality of the end product for the mutual benefit of the Government and industry.**
- **Explore and develop methods of quality/productivity improvement; foster a spirit of cooperation; provide a forum to share new ideas and initiatives; and suggest changes to applicable policies, regulations and/or statutes through the appropriate channels.**
- **It is not the purpose of the Council to discuss specific contractual actions or discuss particular future procurements.**

Where to Find Procurement Opportunities

DLA Internet Bid Board System (DIBBS) is a web-based application that allows you to search for, view, and submit secure quotes on Requests for Quotations (RFQs) for DLA items of supply. DIBBS also allows users to search and view Requests for Proposals (RFPs), Invitations for Bid (IFBs), awards, and other procurement information related to DLA. www.dibbs.bsm.dla.mil

FedBizOpps (FBO) - Most DoD and Federal Government procurements over \$25,000 are publicized in FedBizOpps. Federal Government Agencies publish their solicitations on FBO providing detailed information on how and when vendors should respond. Commercial vendors can utilize FBO to search, monitor, and retrieve potential opportunities matching the goods and services they provide. www.fbo.gov

DLA-Aviation Small Business Office

Four Subcategory Programs:

- HUBZone Small Business
- Service Disabled Veteran Owned Small Business
- 8(a) Small Business Program
- Woman Owned Small Business

Each Subcategory Program has a dedicated Program Manager

HUBZone Small Business (HZSB)

- **Purpose:** To provide Federal contracting assistance for qualified small business concerns located in historically underutilized business zones, in an effort to increase employment opportunities, investment, and economic development in those areas.
- You'll need to re-certify for the HUBZone program every three years. There is no limit to the length of time a business can continue to re-certify as long as it continues to qualify.
- Must register through the SBA. hubzone@sba.gov
- HUBZone offers eligibility assistance. Call 1-202-765-1264 access code 63068189#

8(a) Program

Purpose: SBA's 8(a) Business Development (BD) Program and named for section 8(a) of the Small Business Act. The program was established to help small and disadvantaged businesses to compete in the marketplace and gain access to federal and private procurement markets. Firms graduate from the 8(a) program after nine years. After graduation, they are no longer 8(a). Firms must be SBA certified.

8(a) Program

To qualify for the 8(a) program, follow this eligibility checklist:

- Be a [small business](#)
- Not already have participated in the 8(a) program
- Be at least 51 percent owned and controlled by U.S. citizens who are economically and socially disadvantaged
- Be owned by someone whose personal net worth is \$250,000 or less
- Be owned by someone whose average adjusted gross income for three years is \$250,000 or less

8(a) Program

- Be owned by someone with \$4 million or less in assets
- Have the owner manage day-to-day operations and also make long-term decisions
- Have all its principals demonstrate good character
- Show potential for success and be able to perform successfully on contracts
- Must register through the SBA. <https://certify.sba.gov>

Woman Owned Small Business

To be eligible for the women's contracting program, your business must:

- Be a [small business](#)
- Be at least 51% owned and controlled by women who are U.S. citizens
- Have women manage day-to-day operations and also make long-term decisions
- To qualify as an economically disadvantaged business within the women's contracting program, your business must:
- Meet all the requirements of the women's contracting program

Woman Owned Small Business

- Be owned and controlled by one or more women, each with a personal net worth less than \$750,000
- Be owned and controlled by one or more women, each with \$350,000 or less in adjusted gross income averaged over the previous three years
- Be owned and controlled by one or more women, each \$6 million or less in personal assets

Before you can participate in the women's contracting program, you must be either self-certified or third-party certified. Both methods will require you to use the certify.SBA.gov

Procurement Technical Assistance Center (PTAC)

The PTAC program is powerful because it connects small businesses with the federal government. The Defense Logistics Agency, part of the Department of Defense, funds the program to increase the number of vendors capable of performing on government contracts. PTAC assists businesses in competing successfully in federal, state and local government contracting.

Procurement Technical Assistance Center (PTAC)

PTAC website: <https://www.aptac-us.org/>

- **Free Help with SAM Registration** – and other government contracting issues.
- **System for Award Management (SAM) registration** is *FREE*, and your PTAC can help you with this *and everything else you need* to sell to federal, state and local government agencies at little or no charge
- **Workshops and Matchmaking Events** teach you what you need to know and connect you with other businesses and agency buyers.
- **One-on-One Counseling** tailored to your specific needs – *always free* of charge!

National Stock Number

The Government uses National Stock Number's (NSN) which contain sub-groups that identify the Federal Supply Groups (FSG) , Federal Supply Classes (FSC), Nato Country Code, National Item Identification Number NIIN) and the serial number of the product.

A National Stock Number is simply the official label applied to an item of supply that is repeatedly procured, stocked, stored, issued, and used throughout the federal supply system. It is a unique item identifying series of numbers. When a NSN is assigned to an item of supply, data is assembled to describe the item.

Automated Solicitation

- System automatically solicits and posts requirements to the DLA Internet Bid Board (DIBBS).
- Automated solicitations are also known as T-Quotes because of the “T” in the 9th position of the solicitation number e.g. SPE4A1-19-T-2160.
- Uses the DLA Master Solicitation for Automated Simplified Acquisitions to establish the terms and conditions of the solicitation.
- (SF 18), Request for Quotation (RFQ), is created for the automated solicitation.
- A T-Quote may be a candidate for an automated award.

Manual Solicitation

- Manual Solicitations are solicited by the Acquisition Specialist. Routinely issued for dollar values under the Simplified Acquisition Threshold of \$250,000 or less.
- Manual Solicitations will have a letter “Q” in the 9th position of the solicitation number e.g. SPE4A1-19-Q-2019.
- The Acquisition Specialist must manually select clauses/provisions to establish the terms and conditions of the solicitation.
- Acquisition Specialist manually posts to DIBBS.

Request for Proposal (RFP)

- Request for Proposal (RFP) is issued for acquisitions over the Simplified Acquisition Threshold of \$250,000 and are solicited by the Acquisition Specialist.
- RFP will have a letter “R” in the 9th position of the solicitation number e.g. SPE4A1-19-R-2019.
- The Acquisition Specialist must manually select clauses/provisions to establish the terms and conditions of the solicitation.
- Acquisition Specialist manually posts to DIBBS.

cFolders

You can use your search results from DIBBS to access the cFolders system where drawings are provided.

Click on Tech Docs icon to take you to the cFolders login page.

Log-in for cFolders

- The first time you access cFolders you will use your DIBBS User ID and password to log in.
- When you enter your DIBBS (BSM) User ID and password, you will receive a "change password" prompt.
- NOTE: DIBBS and cFolders are separate systems. You will normally have a different password for each. In future, you will use the same User ID and your new cFolders password to access your cFolder account.
- Your DIBBS User ID and password will not change when you change your cFolders password.
