**Important Notice to Recipient**

All CPCMs, CFCMs, and CCCMs must recertify five years from the last date of certification to remain current. The requirements for recertification are 60 hours (10 days) of cumulative training OR six credit hours of education. The education and training must be of a nature that upgrades your contract management skills. Keep this certificate to use as recertification verification. Recertification application requests should be emailed to the Director of Certification at [certification@ncmahq.org](mailto:certification@ncmahq.org) or mailed to 21740 Beaumeade Circle, Suite 125, Ashburn, VA 20147.
